The Board of Honorary Visitors of the Irinjalakkuda Hospital has remarked during one of their visits to the Hospital that a separate pathway to the mortuary is highly essential. There is a road to the east of the doctor's quarters running south to north. They have p oposed a small bye-lane about 25 yards in length to be opened leading to the mortuary. For this the acquisition of 4½ cents of land is necessary and its approximate cost comes to Rs. 132. There is no provision for this expenditure in this years budget. The expenditure, is, however, proposed to be met from the savings under "Establishment" of this year's Med cal Budget.

Rao Bahadur T. K. Nayar *(Minister for Public Health)*: Yes. They are full-time servants.

Mr. P. Kumaran Ezhuthassan *(Vadakkancheri)*: With that information so kindly supplied I shall perform the second part of the cut motion namely to censure the Government and censure them strongly for their magnanimity in giving high wages of 5 annas 4 pies per day for a full-time servant, not of poor me or anybody else but of the rich Government of Cochin, the Governmgnt of Cochin which pays a Chief Justice rupees 1,250 recently raised, its puisne judges unnecessarily Rs. 1,000 and similarly large emoluments to their first grade officers and even second grade officers.
